Dear Parent/Carer,

The school has been given the opportunity to take part in a project that will run jointly between schools and Devon and Cornwall Police.

Operation Encompass is a reporting tool being rolled out to schools following any domestic incident to which a child or young person has been exposed. School will be informed prior to 9am on the next school day to ensure safeguarding best practice is followed.

Operation Encompass will ensure that a member of the school staff, known as a Key Adult, is trained to allow them to liaise with the police and to use the information that has been shared, in confidence, while ensuring that the school is able to make provisions for possible difficulties experienced by children, or their families, who have been involved in, or exposed to, a domestic abuse incident.

We are keen to offer the best support possible to all our pupils and we believe this will be extremely beneficial for all involved.

Yours Sincerely

Mrs Katy Burns
Head Teacher
